# SPECIAL TUNING (UK) LIMITED PARTS CATALOGUE – MAY 2005

## INTRODUCTION

Welcome to the first edition of our Parts Catalogue. In an effort to save resources and be as environmentally friendly as possible we do not intend to produce a paper based catalogue and instead have chosen to make this freely downloadable from our website at [www.specialtuninguk.co.uk](http://www.specialtuninguk.co.uk). Please feel free to print this if you have need to, or alternatively we can supply a CD based copy which also carries copies of the various 206 Challenge build manuals and Challenge Supplementary Regulations.

## PURCHASING

Parts can be purchased either direct from ourselves or via our website shopping facility. Unless otherwise agreed all orders must be accompanied by credit or debit card details, Bankers Draft or a cheque. Goods will not be despatched until cleared funds have been received.

## CARRIAGE

All goods are automatically despatched using a secure carrier at the following rates:

Mainland UK next day delivery	First 20kg	£15.00
	Per kg or part over 20 kg	£0.48 per kg

Offshore UK Islands & Northern Ireland	Please telephone for details
---	------------------------------

(Saturday and weekday timed deliveries available, please telephone for rates)

Rest of the World	A size/weight system is operated dependent On destination, again please telephone for details
-------------------	--

## TAX

Orders made from within the UK, or the European Union (EU) 17.5% VAT is added. All orders received from outside the UK or EU are zero rated.

If you are resident in the EU, but outside the UK, and have a valid EU VAT Registration Number, and are a business, then so long as you supply us with the relevant documentation, goods will be supplied without the charging of UK VAT. We must however have this information prior to the despatch and charging of goods.

### WARRANTY TERMS

The statutory rights of our customers are unaffected by our terms and conditions.

The goods offered for sale by Special Tuning (UK) Limited are competition components and as such are offered for sale in a merchantable condition. However given the nature of the use these components may be subjected to, which may be outside those normally expected, no definitive statement may be made as to their life expectancy.

### RETURNS POLICY

If a customer wishes to return products then such return is at the discretion of Special Tuning (UK) Limited. A RGA number must be obtained from Special Tuning (UK) Limited and quoted on the return documentation.

Refunds will not be made for product which has missing packaging, or which show signs of having been fitted to a vehicle or in the case of clothing show signs of having been worn other than for initial size fitting.
